## CARMAGNOLE DES MOINES.

Qu'est-ce qu'un moine ? l'excrément  
du genre humain. Qu'est-ce qu'un ca-  
pucin ? l'excrément des moines.

Nous nous éclairons, Dieu merci ;  
Le froc a perdu son crédit :  
Les moines trop long-tems  
Ont couillonné les gens ;  
Chantons la carmagnole,  
Ils sont foutus ; *bis.*  
Chantons la carmagnole,  
Ils sont foutus  
Les tondus.

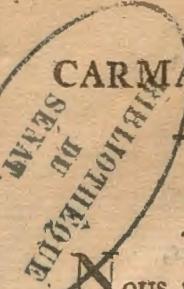

Ils ont fait vœu de pauvreté  
Ils ont fait vœu de chasteté :  
Mais aucun de ces vœux  
N'est observé par eux :  
Chantons, &c.

Si tu n'as point de patacons,  
Les moines fuiront ta maison :  
Sans esse ces caffards  
Font la cour aux richards :  
Chantons, &c.

Oh ! si j'avois autant d'écus

( 2 )

Que les moines font de cocus ,  
Nul Prince , sur ma foi ,  
N'en auroit tant que moi :  
Chantons , &c.

Leurs scapulaires , leurs *agnus* ,  
Leurs miracles , leurs *oremus* ,  
Sont autant de filets  
Pour prendre les benets :  
Chantons , &c.

Ils ont dans la confession ,  
Et par la prédication ,  
Conseillé mille horreurs ,  
Prêché mille fureurs :  
Chantons , &c.

Prieres , bénédictions ,  
Tout se verid chez les moinillons :  
Pas un *de profundis* ,  
Chez eux n'est dit *gratis* :  
Chantons , &c.

Pour nuire à tous les citoyens ,  
Ils ont mille & mille moyens :  
Qu'ils en ont massacré  
Avec un fer sacré !  
Chantons , &c.

Tous les jours , aux dépens des sots ,  
 Ils vuident bouteilles & pots ;  
 Le plaisir le plus doux ,  
 Pour eux est d'être sous.

Chantons , &c.

Le repos public de ces lieux  
 Fut tant de fois troublé par eux :  
 Peut-on s'en souvenir ,  
 Sans pleurer & frémir ?

Chantons , &c.

A sa premiere pauvreté  
 Le froc doit être rappelé ;  
 Ou plutôt il vaut mieux  
 Le chasser de ces lieux.

Chantons , &c.
